On Sunday 23/11/2014 police stopped the following two males who were seen walking around an industrial estate Stockings Water Lane Enfield at 01:10 hours.

Both males seem to be under the influence of drugs.

On page 28 the CRIMINT reference states the other male, This has been blacked out, it also states that this person was living with my self Simon Cordell.

#### **I Simon Cordell State;**

On the 22/11/2014 I had been at my home address with a friend named Josh who was homeless when my mobile phone rang a person claiming to be a police officer spoke to my self he called me unexpectedly it was around 23:45 hours to 00:20 hours I got the call.

This person said they had been at my flat earlier but could not get the entrance code to my front door, they had returned to the police station to call me and get the door code, to which I thought and knew to be out of place I asked for the police officers badge number to which the person speaking would not give it to me, making me not believe this was a police officer I was in fact speaking to I would not give the door code out, on putting the phone down I called the police and asked if it was them asking me for my entrance code to which the reply was no.

This worried me even more because I live in a communal building that does not have an intercom system or CCTV. You must know the door entry code to the main entrance and you can get to my front door.

This made me and my friend scared, and could not understand how someone had got my number and called and wanted the main door code.

I called my mother who told me and Josh to come to her house, my mother had been cooking something to eat so I turned everything off and left my flat with Josh.

We walked along Green Street, towards Brimsdown train station going towards the river lee.

I had called my sister and she agreed to pick us up in a cab at Ponders End train station as it was raining very badly.

As we was walking the police pulled us over they said they were the police care team and asked us what we were doing, I told the police what had happened about the call and was told it was them that had called me for the door code.

They said that they had been at my flat early and could not get in, so had gone back to the police station to get my number to call me to get my door code.

I asked why they wanted my door code and why they wanted to see me, they would not tell me.

We both got searched by the police and then let go, me and my friend Josh was not under the influence of drugs, and the police never found anything on us when they searched us both. They asked Josh why a boy from East London was in North London and he told them to see his friend.

I called my mother again and was really upset as the police was not leaving me alone, I had done nothing wrong and never went out of my flat any more, but the police kept coming to my flat when they wanted.

When we got to Ponders End my sister was waiting in a cab, which we got into and went to my mother's home, my sister then left in the cab to go home.

My mother was really upset and made a call to the police at 02:04 to find out what was going on and why the police kept turning up at my flat CAD 1129:23/11/2014.
