As

for the date of the 09/02/2017 as stated before until we have had all dates and

times and body of

complaints and the subject access request, I still do not feel

it is justified my son has a meeting as he will be

walking into a meeting only

with very limited information, and due to his health which is being caused by

his

neighbours and

Enfield Council doing nothing I feel my son is only being setup due to issues

and the colour of my son's

skin. And this is why no one from

Enfield

council has ever

taken a report from him about what has been ongoing form a long time ago.

We

want to clear this up as much as you do, but it seems Enfield Council is not

fulfilling what we have asked

for in order to be able to do this.

Enfield council claim that We received a report that on 7th February 2017 you approached the leaseholder of 117 Burncroft Avenue and his plumber outside the block as they were attempting to resolve the problem causing low water pressure in the flat. You said to the leaseholder that there were problems between you and his tenants but did not give any specific details. The leaseholder explained to you that his tenants were experiencing low water pressure in the flat and you said to him 'you will not solve the problem as I am restricting their water supply. The leaseholder later knocked on your door and asked whether you would increase the water pressure and you stated 'I cannot do anything at the
