Dear Trishna Kerai

I am writing this email to see if you can help regarding the case that went on at Edmonton Country Court.

There has been a great deal of issues with Enfield Council and not doing what the Judge stated for them to do.

I have had to write to the judge regarding what Enfield Council are doing and I have had a reply back from the court.

The order that Enfield Council drafted does not even mean they have to move my son, he is living in hell and I am working with the MP also regarding issues.

But the order Enfield Council wrote needs to go back into court and get addressed as this can no longer carry on as it is impacting my son's health.

Could you please take a look at the letter and order that the court sent as we have never had a sealed copy of the order until the other day due to the letter I wrote.

It would also seem that Enfield Council when they got our amended order just asked the court to seal there order.

Also the barrister that attended court for my son on the 09/08/2018 did he make any court notes up if he did could you send them to me.

I would be grateful for any help on this matter

Regards

Lorraine

Dear Madam

“A copy of the Court Order dated 9th August 2018 is attached. If you consider that the Order is incorrect or should be varied, the Court will consider the issue for this upon appropriate application to the Court at a hearing to be listed. Unfortunately, the Court is not able to give advice or enter into correspondence with you but you are strongly advised to seek further independent legal advice with regards to this matter.”
