

Nwabuisi the Anti-Social Behaviour Coordinator starting working for Enfield Council.

I also feel Mr Lemmy Nwabuisi has taken information and not relayed it back correctly many times regarding my son's health even to the courts. Information is being passed and obtained relating to my son which should never have been passed to 3<sup>rd</sup> parties or used, how can this be allowed. There are many other points and failings which have been allowed to happen and this needs to stop. I will be drafting up a full complaint of failings and submitting it but this will take a while to draft up as I have got to go back some years.

Mr Lemmy Nwabuisi also had my son arrested on the 09/01/2018 and even through we asked many times, even my own son's solicitors could not understand why he was the person still investigating my son. When his case was part of the court actions being taken against my son by Enfield Council this is against the law that someone is investigating something within their own case and it breaches many other things.

At this point in time I want Mr Lemmy Nwabuisi taken off dealing with anything to do with my son or related to him, I feel he has not done acted correctly and feel he has not investigated anything which would prove my son has done nothing wrong and only wanted to blame him for everything, I have asked this before and heard nothing back regarding this. But it has got to the point in time that this needs to happen.

Could someone please get back to me as soon as possible regarding this?

Regards
